

The Twenty-Seventh Annual WASHINGTON STATE SWIMMING POOL AND SPA CONFERENCE

The Washington State Environmental Health Association, in cooperation with your local health jurisdiction, is pleased to announce the 27th Annual Swimming Pool and Spa Conference. We encourage everyone who operates a pool or spa to participate in this informative conference.

Conference Sessions 8:30 a.m. - 4:00 p.m.
Registration 8:10 a.m. - 8:25 a.m.

Swimming Pool and Spa Chemistry and Pool Testing: Come to our most popular session! It covers pH, disinfection, alkalinity, hardness, TDS, and corrosion control.

Pool Testing: Learn procedures for proper use of test kits, some of the different types available, methods for doing dilutions, preventing misuse of kits, and some discussion on interpreting unusual results.

Health and Safety at Pools:

A discussion of health and safety issues associated with pool facilities and some preventive measures to implement.

Pool Equipment Operation (Pumps, Motors, and Filters): Explore the operation and maintenance of your mechanical room equipment. General overview of basic equipment and an opportunity to ask questions.
